

Ourston Roundabouts Canada

A Member of The Sernas Group Inc.

Project Manager (1 Position)

(Toronto Office)

Ourston Roundabouts Canada provides specialized consulting engineering services in modern roundabouts. Our expanding team of engineers and technicians requires a capable Project Manager for our Canadian office in Toronto.

Ideal candidates have an established career path toward a diverse practice in transportation design and will have 8+ years of experience in project management of transportation projects with roundabout experience. You possess a degree in engineering, are self-motivated, capable of handling multiple projects, have strong oral and written communication skills, and have strong computer skills including experience with CAD (Microstation or AutoCAD) and highway design software.

Ourston Roundabouts Canada offers a generous salary commensurate with experience, eligibility for performance bonuses, a comprehensive benefits package, and an attractive work environment. If you are interested in this unique opportunity to be a part of the Roundabout Revolution, please send your resume and references in confidence via email to hr@sernas.com with reference to "Project Manager – Roundabouts" in the subject line or by fax at 905-432-7877.

We thank all applicants for their interest; however, only those under consideration will be contacted.
